League of Women Voters of East Alabama
http://lwv-eastalabama.org/

From the President: It's August...time to get going again!

The LWV of East Alabama will begin the new season by hosting an important event: The Auburn City Council Candidate Forum! Join us on Tuesday, August 12th, from 6-8PM in the Fellowship Hall of the Auburn First Baptist Church at 128 E. Glenn. We asked the O-A News to sponsor this event with us and they were enthusiastic to support us. In fact, the response from all involved, including the candidates and citizens, has been very positive. It only happens every four years so I think it is the least we can do!

**Dr. Jennifer Adams**, Associate Professor and Director of the School of Communication & Journalism at Auburn University, will be our moderator. We are very excited to have Jennifer on board with us as she will surely bring a new perspective to the event.

The O-A News has already published an introductory article as well as several advertisements. They will be on hand to cover the event and will likely film the proceedings as well. We are grateful for their support to inform citizens of our event and to encourage them to submit questions and to attend the forum.

Questions for the candidates may be submitted ahead of time by visiting http://www.lwv-eastalabama.org/forum and filling in the form. You may submit up to three questions at one time.

In addition to the Candidate Forum, the LWVEA is co-sponsoring another event: the **Coalition for Advancement of Women in Public Office (CAWPO)** on Thursday, August 28th from 4PM-6PM at the AU Hotel. This networking event is designed to highlight the women who are running or have run for public office in Alabama and to encourage more women to enter politics. Invited panelists will speak to the reason they entered politics as well as how they might promote the coalition’s goals, which include the following:

- increasing the number of women in public office
- increasing women’s participation in the political process
- engaging and educating women voters on the issues that matter

Surely these goals overlap with those of the League and I am proud to lend support to this event. The CAWPO event will be in lieu of our August member meeting and I encourage each of you to attend this important event.

Save the date also for our **Summer Social**! We will meet on Tuesday, August 18th, after 5PM at Piccolo's in the AU Hotel and Conference Center. We can catch up after our summer hiatus and discuss the upcoming year with the LWVEA. Bring a friend and join us!

Respectfully submitted,
Kristen De La Fuente
President, LWVEA
The Voter

2014 Scheduled Elections

Ward 2 - Ron Anders (I) (unopposed)  
Ward 3 - Beth Witten and Wendell McLain (no incumbent)  
Ward 4 - Brent Beard (I) (unopposed)

Ward 5 - Robin Kelley (I) and Lynda Tremaine  
Ward 6 - Dick Phelan (I) and Brad Donnelly  
Ward 7 - Gene Dulaney (I) (unopposed)  
Ward 8 - Tommy Dawson (unopposed, no incumbent)

September 9 - Unincorporated Lee County Sales Tax Referendum (for voters who live outside of Auburn, Opelika and Phenix City)

November 4 - General Election

Protecting "The Loveliest Village"

Recently, Auburn citizens made their voices clear to members of the Board of Zoning Adjustment (BZA) about proposed changes to the "Heart of Auburn" area on Gay Street. They said no and the BZA agreed. It was great to see the citizens fired up about something. Public hearings are important but attending those hearings is critical! The Planning Commission meets on the second Thursday of each month at 5PM in the Council Chambers. BZA meetings are held every first Wednesday at 4:30PM also in the Council Chambers. The Historic Preservation Committee meets every second Tuesday at 4PM, currently in the Auburn Public Library. Check out the city website for more information including meeting minutes and agendas. Keep in mind that most of the appointments to these boards are done by city council (another reason to pay attention to the upcoming municipal election!)

Voter Registrations - We need you!

The LWVEA will be hosting several voter registration events leading up to the November 4th election. Please consider volunteering to pitch in and help out! Contact a Voter Services Director to volunteer.

State Council and National Convention Reports by Kristen De La Fuente

Thank you to Neali Vann for acting as our LWVEA delegate for the LWVAL State Council meeting held on April 26th in Hoover. Laura Hill also attended in a state delegate capacity. Check out the LWV of Alabama Voter for more information about the other leagues in the state.

Almost 700 delegates from around the country attended the LWV National Convention in Dallas this past June. Laura Hill and I were this year’s delegates representing East Alabama. Other Alabama attendees were from the Mobile League, who sent five delegates.

The days were full of interesting topics such as Money in Politics, Voting Rights and Education. Differences in state policy and governing were evident during the entire event. What they do in other states may be very different than what we do in Alabama. Did you know that Oregon voters can only vote by mail? They don’t have polling places or poll workers but they often have high voter participation. Do you know the only two states that allow prison inmates to vote? Those would be Vermont and Maine. The rest of the states have myriad laws regarding voting rights for felons.

I mention these highly debatable topics to highlight the differences between the states. These differences can make it difficult for the LWV delegates to agree on new positions. The debates during the plenary sessions were fascinating and the votes, even within our Alabama delegation, were often split. One of the action items that was overwhelmingly supported dealt with quickly forming committees to review the LWV’s positions on campaign finance and redistricting. It seems that most things are related to money: education, voting rights, women’s social/health issues, the environment, etc. By updating and strengthening our position on money in politics, we can present a unified and strong front to “participate fully in local, state and national efforts to reclaim our democracy.” (approved motion #72212; LWV National Convention)

One thing is for sure: we all have a lot of work to do! What are you prepared to do? Let’s start by following the money...

Hello, Chickpea! The LWVEA has joined Terracycle’s “Hummus Container Brigade” and “Athenos Packaging Brigade.” Terracycle collects used packaging and repurposes the waste into new products. We can send in any brand of hummus containers, lids, plastic or foil seals, and outer plastic seals or other plastic packaging. In addition, we can send in Athenos brand baked pita chip bags, spreadable cheese packages, and feta cheese containers and lids. Each piece of waste will earn about 2 points, which can be redeemed for charitable gifts or payments to non-profit organizations, such as our Education fund. Please collect these items and give them to Kim White, who will ship them to Terracycle. For more information, contact Kim White or explore Terracycle’s website (www.terracycle.com).

THE FUTURE OF PUBLIC EDUCATION TOUR DATES ANNOUNCED
State Superintendent Dr. Tommy Bice to Discuss Initiatives that are Transforming Learning in
Alabama’s Classrooms

Montgomery, Ala. – The Alabama State Department of Education today announced the dates and
locations for “The Future of Public Education” tour. Hosted by State Superintendent of Education Dr.
Tommy Bice, the 12-stop tour will highlight important topics for students and families in Alabama,
including PLAN 2020, the Alabama College- and Career-Ready Standards, student testing,
accountability, and the importance of parental and community involvement.

“PLAN 2020 is transforming our classrooms into learning environments where instruction is
individualized and personalized in order to better prepare our students to be college or career ready
when they graduate from high school,” Bice said. “We are no longer preparing children to take a test,
rather, we are teaching them how to think and solve problems using real world application. In essence,
we are redefining the high school graduate.”

In addition, Bice said, “PLAN 2020 is shaping education reform in our state by identifying problems
with specific schools and developing plans of action to address those unique situations; evaluating
teacher and principal effectiveness; and providing support and/or corrective measures when needed.”

“I am looking forward to visiting with members of communities throughout the state to share,
firsthand, the great work educators and students are doing and discussing the exciting work taking
place in the 2014-2015 school year and beyond.”

“The Future of Public Education” tour will include stops at schools in each of the eight State Board of
Education board districts, kicking off at Lee High School, 2500 Meridian Street, in Huntsville, on
Tuesday, August 26, 2014. Presentations will be made from 6:00 to 7:00 p.m., followed by a
question and answer session from 7:00 to 7:30 p.m. During each visit, Dr. Bice will be joined by
business and industry partners and representatives from Alabama’s Community Colleges, as well as
other education stakeholders.

**Wanted: Vice President**

Extremely interesting group of civic-minded voters are seeking a Vice President for a two-year term effective immediately. The successful candidate must be able to attend monthly soirees (a.k.a., board meetings), contribute opinions (that should not be a problem!) and offer suggestions to improve on-going activities. The position will not necessarily ascend to the Presidency, although requisite arm-twisting may commence. Forward any inquiries to Kristen at president@lwv-eastalabama.org.

**Shop online at iGive.com/LWVALEF** to support the LWVAL Education Fund!

At iGive.com there are over 1200 well-known stores, it doesn't cost you a penny extra, and the LWVAL Ed Fund receives a small percentage of your purchase amount. Find out more about how iGive.com works and start shopping. Thanks so much for helping the LWVAL Ed Fund!

Monetary donations to the LWV Education Fund are also tax deductible and are used locally to support our Voter Services projects. In 2013/14 we used Education Fund money to print our "Guide to Your Government." Please consider writing a separate check to support the LWV Ed Fund.

**STAR ID: What is it? Do I need one?**

You will need a STAR ID or an unexpired U.S. passport to board commercial aircraft for domestic flights or to enter federal facilities that require identification.

New regulations will go into effect **Dec. 1, 2014**, for people born after **Dec. 1, 1964**. For people born on or before that date, new regulations will be effective **Dec. 1, 2017**.

If you need to renew your driver's license or non-driving ID card, you can provide additional documents to obtain the STAR ID before the regulations are in effect.
